Dispositions: ADVISED By: 2P219

Narrative: elderly female states a male came by several days ago claiming he was from her financial institution and took all of her tax and brokerage account information. her financial advisor was on the phone with her stating they did not send anyone out.

spoke with ADELA DOLNEY, who said she has her taxes done by Jeff from Ameritrust. I phoned JEFF and he is not sure who DOLNEY gave her 2013 tax data too. JEFF thinks someone may have picked it up from her to do, but at this point cannot confirm that. DOLNEY's tax data would not benefit anyone as she owes money to the IRS. JEFF was advised to call me if anything further arises out of this and so was DOLNEY, who appeared confused at times. DOLNEY has no family and has papers all over her condo. DOLNEY appeared to be fine at this time and I left her LPD's phone number if she had any questions about anyone calling her.
